2. Kathy Johnson will go to a meeting at Mid Kent College on 17<sup>th</sup> December to see what courses they can offer to us.

The managers at Mid Kent College want to offer more courses.

They have the list of courses we made in October.

Courses cost too much!

We asked Kathy to say that:

Most people need free courses.

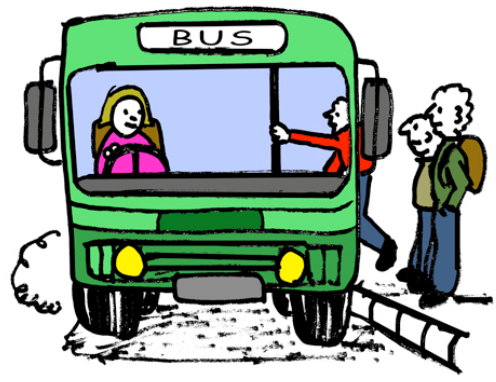

Some people want to be on courses that are not just for people with learning disabilities.

How to get a job

It will be good to have courses that help people get ready for paid work.

This way to Mid Kent College!

We think it is a good idea for students to be trained to be buddies for people with learning disabilities.

### 3. Any other business

Some of the people who come to the Forums will not be at Greatfield Lodge next year.

They will still want to come to the Forums.

The Forum reps will ask the Learning Disability Team at Lordswood to help get information about Forums to each person.

We talked about how people can keep in touch with friends when they do not have support from Greatfield Lodge

Some people will be leaving the centre early in the New Year

We agreed we will talk about it in January

We can give our names and addresses

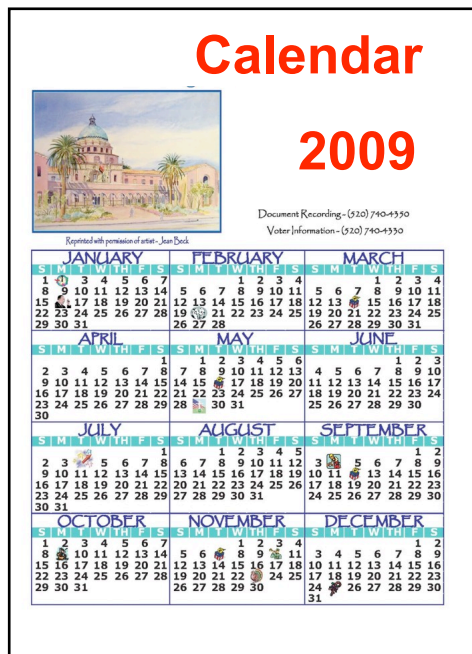

We can ask for forum dates to be sent to us

We can go to leadership workshops

Reg Higgs said people who want day services from Medway Council should say so.

4. We had a debate and lunch.

19<sup>th</sup> January 2009
