The meeting was at Mid Kent

Big Health
Check

How many people?

Invitation
come to
the
Big Health
Check

1. We talked about how the Big Health Check day went on 18th January

This was a day to tell the NHS things they do well and things that could be done better

We said it was a useful day.

But 3 things could have been done better at the Big Health Check:

- It was not good that no GPs and other doctors came to the event - they are paid to learn how to do health checks.
- Nobody found out how many people with learning disabilities at the event get annual health checks.
- Hundreds of people with learning disabilities may have missed the Big Health Check - maybe because they couldn't get there. Or perhaps because they did not know about it.

2. We talked more about Equalities.

We told Keith that Medway Council and the NHS could do a lot more to give jobs and work experience to people with learning disabilities.

Keith will put that in his report to Medway Council
