We talked about the Keeping Safe work we have done over the past year.

We all agreed that:

The Keeping Safe work is going well and is important to us.

The partnership board should make it possible for us to carry on the Keeping Safe workshops.

We want 2 workshops each month.

The workshops should be for no more than 12 people

The local police will be asked to come to each workshop.

We agreed that the big Keeping Safe Conference we had in March was very good.

But too many people came to it!

It was hard for every body to join in.

Yes! 2  
keeping safe  
conferences  
each year!

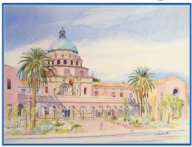

We want to have two Keeping Safe conferences each year so that they are not so big.

Kathy, Robert and Rick will tell the Partnership Board.
