We looked at the notes from the Valuing Medway People Partnership Board meeting that took place on July 23rd.

We talked about friendships for people who are lonely and want to get a life.

We want to start the Partnership Board friendship project.

The club or agency should offer fun things and activities for groups as well.

The Forum might be a good place to meet people as well.

We could have the Forum then meet friends.

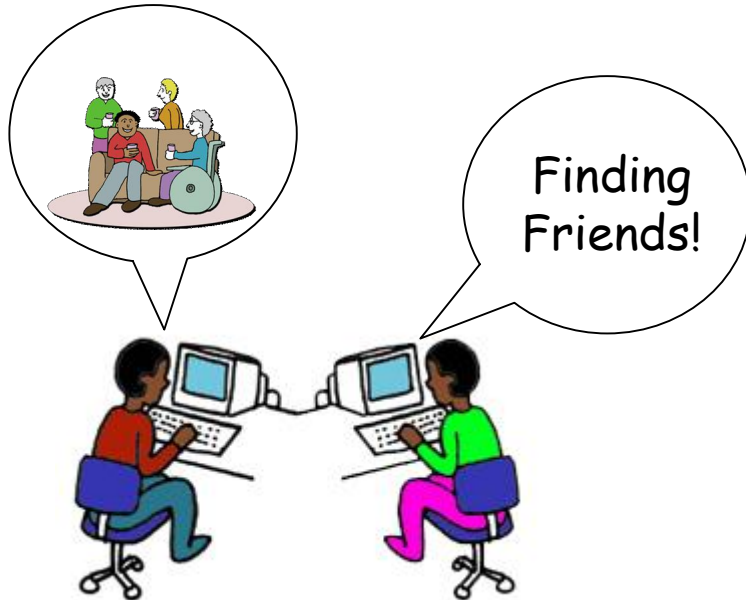

We want to find ways for the club or agency to carry on when the Valuing People money is gone.

We have started work already.

But we will mix work fun and meeting friends as well.

The Forum will have its Friendship Planning and Fun Awayday in October.

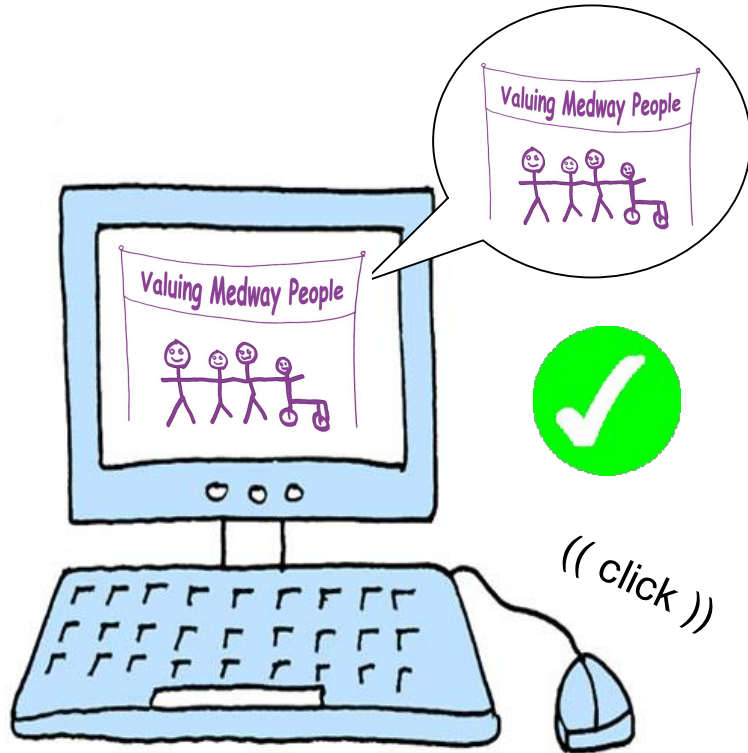

It will be a day to meet new friends and bring old friends.

We agreed:

- Some people need support when meeting people for the first time.
- Some people want the agency to support.

A new Valuing Medway People agency and website would be safe.

We want our agency to understand the needs of adults with learning disability
