We talked about hate crimes.

Hate crimes can be lots of things.

A hate crime happens when somebody hurts you or scares you because you have a learning disability.

We should tell the Police if somebody hurts us or steals from us.

We can tell the Police in lots of ways.

We can telephone the Police.

We can ask them to come to see us.

We can ask somebody we trust to tell the Police for us.

We can go to a Police Station or Contact Point

We talked about good ways to keep safe when we are going places.

Here is the team that worked at the July 23rd Keeping Safe workshop.

The Police officers work in Strood.

People who came to the workshop live and work in Strood, Rochester and Rainham.
