October 15th 2007

At the October 15th Partnership Board we talked about good news and successes. Here are some of things we said:

We helped somebody move from a Health Service campus to live in a cottage. And it saved money!

We met our £184,000 (one hundred and eighty four thousand pounds) savings targets

I have moved to share a house with my friend and it is going well. I am having my birthday party on Saturday!

October 15th 2007

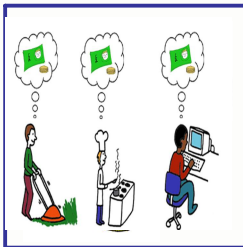

At the October 15th Partnership Board we talked about good news and successes. Here are some of things we said:

Money is needed for social care!

The government has its said that social care is important and needs more money

I had a good holiday at Birling and went to Farming World.

We have offered a job to somebody who has a learning disability.

There are lots new activities offered to people at Greatfield Lodge. And they are going well.

October 15th 2007

At the October 15th Partnership Board we talked about good news and successes. Here are some of the things we said:

I am working at MAPS and enjoy myself. I have made T-shirts - if anybody wants to buy one ask me!

We are providing support for two people to live independently with Independent Living Funds money.

The Learning Disability Task Force has said that family support is important. In March they will look at how to support families.
